

In Classroom Training Offered – May 10 at Cowessess

*Serve It Right Saskatchewan (SIRS) provides consistent training for the sale and service of alcohol, helping commercial permittees and their employees to ensure that alcohol-related activities are conducted with integrity and in a socially responsible manner. **Responsible Service is Smart Customer Service.***

The Last Oak Golf and Country Club at Cowessess has organized a training day for “Serve It Right” which is the Saskatchewan official provincial training program for the responsible service of alcohol program. We have planned this day for our staff, however we will not fill the course seats internally so we have decided to go outside our organization and invite other businesses and community members to attend. It’s a great opportunity to get in person training close to home:

Program: Service it Right Saskatchewan (SIRS)
