In light of the recent outbreak of Covid-19 at CCEC, would you be in favour of returning to cohort groups (with the exception of Gr. 10-12) in which half the students attend one day and the other half attend the next day for safety reasons?

33 responses

If we moved to K to Gr. 9 cohort groups, would you be in favour of community mentorship or programming occurring for the second cohort group? (meaning that all K-9 students would go to school every day and attend class/community programming each day) *Note: this option would only work if we had at least 9 community/parent/department mentors available each day.

33 responses

Another option to consider is adjusting the weekly school day schedule. Would you be in favour of Friday mentorship/programming for half a day and early dismissal after lunch?

33 responses

Please check off any and all preferences to the possible CCEC schedule:

What will be going on for school sports?

no

Safety is of a concern. When there is 100 percent achievement that covid is no longer a factor then my family will rest easy. Till then, worry and fear are there.

I am wondering about student learning, how are a Google classroom being used? What other student learning programs are being used?

No
